An English Medium Co-Educational Senior Secondary School

Prospectus

Our Motto - "An Activity for Today and an Assurance for Tomorrow"

BLENDING WORLD CLASS EDUCATION
WITH SPORTS TO MEET
GLOBAL CHALLENGES

KHELGAON CHARTER

KHELGAON PUBLIC SCHOOL

6 Golden Rules For Excellence

1. Children should wish "Good Morning" and greet parents by touching their feet after getting up in the morning. They should also wish "Good Night" and touch the feet of their parents. Girls may or may not touch the feet of their parents.
2. Breakfast should include sprouted grams and milk everyday.
3. Lunch and dinner should include green vegetables everyday, which the children should enjoy eating.
4. Children should study on their own for at least two hours everyday without any guidance.
5. Children should obey and respect their elders and always speak the truth.
6. Only those T.V. programmes should be watched which are permitted by the parents.

From the Desk of Chairman

It gives me immense satisfaction that KhelGaon Public School with its constant endeavour to mould the young minds into becoming enlightened citizens of the country has, in its brief but glorious years, emerged as one of the premier educational institutions of Prayagraj.

Trying to grasp the best of both academics and sports have ended up creating a beautiful synergy between the two in my own life. I became a National champion and obtained a doctoral degree in Biochemical Engineering simultaneously. This along with the knowledge of our holy scriptures, inspired me to create a system of education for our children that would be a meaningful blend of the mental and physical energies through academic and sports. This system, put into practice since 1992, yielded a rewarding outcome for the sportspersons, I had taken up for my Olympic project. KhelGaon Public School is a true replica of this system aiming to impart a holistic value-based education in the true sense of the word not only by maintaining strikingly high academic standards but also by developing all faculties- intellectual, physical and spiritual. Developing an enterprising mind, intellectual curiosity, moral integrity, a strong sense of values, a disciplined life-style and feeling of comradeship among students that will transcend social, communal, religious and provincial prejudices are the real objectives of the Khelgaon system of education. We know that formal education available in the existing institutions is confined to classrooms only and offers job-oriented knowledge but does not develop the higher state of consciousness or help one to realize full potential of life. In addition to job-oriented education, everyone should also have life-oriented education. The importance of quality education, thus, becomes obvious.

A strong emphasis is laid on games and physical fitness, co-curricular activities, expeditions outdoor activities, etc to relate education to real life experiences and to take education beyond the confines of the classrooms making it a rich, stimulating and creative experience. This is, perhaps, the only school of the country that assigns two periods for sports and one for music in a student's daily curriculum.

This prospectus seeks to give information about the distinguishing features of the school. While efforts have been made to include the essentials within, there may be points which need elaboration. In such cases readers are requested to contact the Principal to obtain the desired clarifications. Corrections and valuable suggestions will be gratefully welcomed by the Management.

With the blessings of God, let us redefine education to realize our dreams.

Dr. U. K. Mishra
Chairman

From the Desk of Director

Nestled in sylvan surroundings KhelGaon Public School has become synonymous with quality education in the city of Prayagraj and is scripting a new future for formal education. Spread over a sprawling 30 acres of lush green gardens and play fields the school has spacious designer classrooms and a healthy pollution-free environment to make children strong and independent, fearless, confident, intellectually and emotionally enriched, responsible citizens with lifetime habits of early rising, sensible eating, respecting elders, sharing, caring and growing.

It is a co-educational English medium school started for Olympic aspirants in 1992 and opened for general students in the name and style of KhelGaon Public School in 2007. A long-term project, for the development of sports and gymnastics to the Olympic level alongwith world class English medium education, was taken up by a team of education and sports experts spearheaded by Dr.U.K. Mishra, a bureaucrat and National Gymnastics Champion. Their profound commitment to successfully blend world class education with International level sports and physical fitness resulted in talent scouting and, thereafter, intensive training in gymnastics under the guidance of expert Indian and foreign coaches. Through tireless striving and continuous research, a tailor-made schooling system was evolved for the National and International Champion Gymnasts. The School was proud to represent the National CBSE Team in the National School Games held at Pune, in which the KPS Gymnasts won many medals to prove their worth. Our star galaxy proudly includes International champions, Vikas Pandey, declared the country's best athlete in the 2001 National Games, Mohit Yadav and Rohit -all professionally well established now in the U.S.A, International gold medalist of the Children of Asia Sports and Games 2000 Sanjay Chaudhary, a brilliant product of our system, is an engineer from IIT Kanpur.

Our Team won 1 gold, 4 silver & 2 bronze medals in National Gymnastics Championship held at Trivandrum in 2015.

With excellent body and mind-nurturing co-curriculars and rich teaching aids, the school aims to revolutionise the education system by empowering children through world class education and sports and providing them a unique opportunity to experiment, explore and excel.

(Dr. R. C. Srivastava)
Director

DOORWAY TO KHELGAON PUBLIC SCHOOL

Admission

The academic session of KhelGaon Public School starts in the first week of April every year. Admission to any class(Pre-nursery to XIIth) will be given only after prior registration and clearance of the PRE-ADMISSION TEST by the applicant. The dates of the pre - admission test will be notified at the time of REGISTRATION.

Admission will take effect from the date on which the completed admission form is accepted by the Principal. The minimum age of admission to the PRE-NURSERY class is three years and for higher classes accordingly as on 1st April of every session.

Fee Structure

The fee will be charged quarterly between 1st to 10th of April, July, October and January respectively. Late fee will be charged if fee is not paid by the 10th of the due month.

Uniform

The Student is required to come to school in proper uniform approved and notified by the school. The uniform worn should be neat, clean and presentable. Any violation of this will be punishable.

School Diary

A school diary will be supplied on the payment of its cost. Systematic and proper maintenance of the diary is compulsory for the students. The diary is intended to help the student in developing working culture. All home-work given by the teachers, any important instruction given to the students, and messages meant for the Parents/Guardians should be neatly noted by the students, date wise, in the diary. The messages are to be shown to the Parents/Guardians.

Identity Card

Every student of the school will have to carry in person, during the school hours, an IDENTITY CARD authenticated by the Principal with a photograph of the student affixed at the space provided.

Books Copies And Stationery

A list of text books, supplementary books, copies and other stationery required for each class may be obtained from the office. Students should procure the books, copies and stationery well in time. Students should come to the school with bags having only the day's requirement as per the class time table given to them.

Assembly

An assembly of the students and teachers will be held daily. Attendance in the assembly will be in the interest of the students as important announcements may be made therein and the Principal or nominated teacher may address the students on important current topics.

Tests And Examination

The Examination System consists of a total of 4 examinations viz. Periodic Test I, Half Yearly, Periodic Test II, and Annual Examination on.

Co-Scholastic Assessment will be done as per the norms and instructions of C.B.S.E., Delhi. The marks obtained by the students in these examinations will be added up for their final result. The promotion of the next higher class will be decided on the basis of the final result of the student. In addition to the above, the students have to sit for class tests at the end of each chapter of their course books

Report Card

Report card bearing the marks/grades of the students in tests and terminal examinations along with relevant remarks will be sent to the Parents/Guardians. They are expected to go through the Report Card carefully so as to be satisfied fully with the progress of their wards. A suitable reward or a little praise would go a long way in improving the performance of the children.

Parents-Teacher Interface

As soon as possible, after the completion of every examination, an interface between the Parents / Guardians and teachers are arranged to exchange their views about the child's performance. They are expected to discuss their problems if any, for prompt remedial action.

Discipline

Students are expected to be polite, friendly and well-behaved in and outside the school. They should be honest and truthful and willing to accept every responsibility cheerfully. Any student found indulging in any act of serious indiscipline, misconduct or misbehaviour anywhere will be RUSTICATED from the school forthwith.

Student Friendly Infrastructure

COMPUTER CLASSES

Computer literacy is an indispensable part of education today. There is hardly any branch of knowledge of technology in which computers have not been pressed into service. In view of this fact, we provide computer classes to the children from class one onwards.

A full-fledged hi-tech computer wing is established in the school where the latest computers are installed and qualified, trained and experienced teachers are appointed to teach children in a graded manner.

Library

The school has a well furnished library where books, magazines, newspapers and reading materials on various subjects of interest for the students and teachers are available. Students are encouraged to make use of the library during the allotted periods as well as during the recess or after the school hours.

Students may also borrow books from the library for a fixed duration. Damage to or loss of library books will have to be compensated in accordance with the decision taken by the Principal.

Smart Classes (E - Learning Classes)

Sometimes certain explanations are not correctly interpreted by the children due to the non - formation of images in their brain. The scheme of Smart Classes (E - Learning Classes) gives an audio - video presentation of the topics and hence develops a better understanding of the subject. Every class gets an opportunity to avail the smart class periods. This liberates the children from the limitations of text books and lets them enjoy the freedom to explore new avenues.

Science Laboratory

The school has a well-furnished Science Laboratory for its students for doing practicals. The laboratory is operated under the guidance and supervision of the Lab Assistants and the Science teachers. Any loss or damage caused to the apparatus and materials in the lab will have to be made good by the students responsible for it.

Maths Laboratory

With the innovations in education policies and the advent of new techniques, it has become necessary in today's life to teach the students in a very practical way. We have a well-developed Maths Laboratory which helps to clarify the concepts in the mind of the students.

English Laboratory (The A.V.English Room)

Perfection and excellence in all spheres is the hallmark of life today. So, it is our duty to produce future citizens who can cope with the challenges of a rapidly advancing world while making a significant contribution to the society and community. Keeping this fact in mind, we have established a spacious English Language Room (ELR) equipped with Audio - Visual systems. Qualified, trained and experienced teachers are appointed for the same. Special English classes are held here with A-V aids for teaching pronunciation, accent, vocabulary and other language skills. Such special classes help children to improve their capability and confidence in spoken English.

Hostel Accommodation

In KhelGaon Public School students of different and remote areas can fulfill their dreams of getting good education and enjoying boarding facilities of International class.

We provide hostel accommodation in a homely atmosphere under the supervision of trained professionals. Utmost care has been taken to ensure that, when our children are back from the school, drill or sports ground, they enjoy all the in-house comfort with tea, breakfast, lunch and dinner prepared under the supervision of an expert catering manager taking care of hygiene, nutrition and calorific values with the provision of 24 hours medical care and support. Masters taking care of accommodation, mess, PT. and drill, games, sports, meditation and personality development are fully devoted to give the best to the students. The hostel is housed in a big building in a neat and clean place. It has large fully AC rooms and hygienic toilet facilities. Separate rules, governing the working of the hostel, are available with the hostel office. Desirous candidates may contact the hostel office for further enquiry.

Safe And Comfortable Transport

KhelGaon Public School's buses and vans run on the chartered routes of the city in the morning for carrying students from the stoppages nearest from their residence to the school and, in the afternoon, back to their stoppages. Students availing the conveyance facility have to observe the notified timings. The school offers this safe and comfortable transport service as a measure of convenience which cannot be claimed as a matter of right. Information regarding the routes, stoppages, timings and charges may be ascertained from the school office.

Our Unique Features

KhelGaon Public School is the only school with a vision to give a new breed of value - driven, knowledge - based and physically fit citizens for excellence in sports and economic independence. This would be achieved by enriching the existing system of education with a new programme to ensure among students a vigorous pursuit of excellence in academics, sports and cultural activities and moral character.

Situated in the holy Sangam City, Prayagraj, the impressive KhelGaon Public School is emerging as India's brand leader in school education. The unique features of KhelGaon Public School are:

1. Freedom from coaching classes.
2. Best teaching experts of the city.
3. Toddler's future in our eco-friendly garden.
4. Blend of curriculum with sports.
5. Six golden rules-value based education.
6. Lush green campus spread over 30 acres of land.

(A) Blending Education With Sports

KhelGaon Public School has designed a novel system of education by making a splendid blend of education with sports by including sports in the daily school schedule of every student. This gives an opportunity to indulge in structured physical fitness activities everyday and to bring out the hidden talent. It also helps to build up the health in a natural and pollution - free environment.

Gymnastics, Skating, Aerobics, Cricket, Hockey, Boxing, Football, Volleyball, Table Tennis, Basketball, Chess, Badminton and Taekwondo, etc. are the games that students enjoy playing everyday.

(B) Specially Designed Sports Complex With Sauna Bath & Steam Bath

A special attraction of KhelGaon Public School is its specially designed indoor sports complex with a 68 m x 30 m working area, a huge spectator gallery to seat at least 5000 spectators and SAUNA BATH and STEAM BATH chambers. Here students enjoy Sauna Bath, the famous rejuvenating health bath of Finland. KhelGaon Public School is the only school which has included the Sauna Bath as a part of its regular health and fitness programme. Exclusive Sauna Bath sessions are arranged for the students periodically throughout the year.

(C) International Tennis Coach

Faiz Rub Member of Registro Profesional de Tennis.
Recognition from PTCA Former National Player - 1999-2004.
Produced National & International Players.

(D) Music As A Tool of Personality Development

The value of music as a tool for education and personality development is indisputable. Music is a very popular hobby and the skill of our budding youngsters is worth appreciating.

Music, the dance of heart and soul, finds its rightful place in the regular curriculum of every KhelGaon student. Actually, without music any form of education seems to be incomplete. Keeping the importance of music in mind, periods are set aside for music wherein students get ample opportunity to hone their vocal, instrumental and dancing skills. For music, we have three separate departments - vocal, instrumental and dance. Well qualified, motivated and highly skilled teachers are engaged to provide the students expertise in different branches of music and prepare them for various competitions where some of them have excelled.

(E) A Special Birthday For Every Child

KhelGaon Public School is the only school in the city which makes every child feel special on his / her birthday. The birthday celebration is a unique feature of the morning assembly where the classmates and teachers of the birthday child are invited to join the parents to attend their child's birthday celebration. Most parents are only too glad to be a part of these celebrations. Every child cherishes this moment which is gifted to him / her in the form of a big colorful birthday photograph.

(F) Six Golden Rules For Excellence

The school aims at giving students a well - developed, balanced personality by developing a POSITIVE ATTITUDE by implanting lifetime habits of early rising, sensible eating, respecting elders, sharing, caring and finally ensuring total mental and physical fitness through Six Golden Rules for excellence which are printed and included in the Diary.

The class teachers and sports teachers motivate students everyday to ensure that these 6 Golden Rules are followed daily by every student of the school.

Toddlers' Garden

(A SEPARATE WING FOR PLAYGROUP CHILDREN)

KhelGaon Public School provides a separate wing for the children of PRE-NURSERY, NURSERY and PREP. This segment of the school has been designed in such a way that the children of the playgroup live in a protected world. They imbibe here the art of communication and spirit of community living. They also learn mixing up and sharing. Highly qualified, trained and experienced staff look after the children. Schooling is not a burden but fun and enjoyment for these Kiddies.

The Educational Toy Laboratory, Play Zone, Kiddy's Fun World and Entertainment with Nature, etc. are the unique features of the Tiny Tots Wing.

Our Educational Toy Laboratory consists of soft toys, play toys, skill development toys, educational toys, creative toys, war toys and dolls corner etc. Swings, slides, merry-go-rounds, educational letters, P.T. and drill are the main components of Play Zone.

Attractions of the garden are :-

1. Snake & Ladder - Design on the floor.
2. A mini swimming pool with natural mountainous look.
3. Labyrinth.

The Toy Laboratory is a major tool of psychological testing while, on the other hand, Play Zone helps children in the development of healthy competition and sportsmanship.

Kiddy's Fun World section provides battery operated cars, scooters, etc. to enable children to enjoy riding and learn the road safety rules.

Entertainment with Nature section provides a platform to learn, to love and respect Nature's bounties and understand the importance of environmental conservation.

These and many more features make our TINY TOTS WING a unique place in the city for proper growth and sound education of kids. Specially designed learning materials are also provided to channelize activities like reading, painting, story telling, dressing up, role playing, etc. Children learn to assimilate various cultures and know different people around the world.

Other Additional Features

(A) Extra Curricular Activities

In order to give quality education in the best possible manner, without making education a monotonous task, KhelGaon Public School decorates its academic calendar with various co - curricular activities covering all the aspects of personality building. The School organises different types of programmes under the banner of KIHE (Khelgaon Inter House Events) or KISE (Khelgaon Inter School Events) from time to time to develop the children's self confidence, empathy, constructive skills, aesthetic awareness, communicative skill and sportsmanship.

These activities are as follows :-

- (a) Inter House SA-RE-GA-MA
- (b) Inter House Antakshari
- (c) Inter House Science Exhibition
- (d) Inter House Social Science Exhibition
- (e) Debate / Extempore / Elocution
- (f) Essay Writing Competition
- (g) Inter House / Inter School / T - 20 Cricket Championship
- (h) Inter House / Inter School Athletics Meet
- (i) Inter House / Inter School Volleyball, Football, Kho-kho,
- (j) Badminton, Skating, Hockey, Boxing, Tackwondo, Table Tennis & Gymnastics.
- (k) Annual Sports / Annual Function

- (l) KhelGaon Sports Regalia/Science Olympiads etc.
- (m) Science model competition, social science model competition, art/SUPW competition, debate/extempore speech, competition, essay writing competitions, music competition school fete, student's tour/picnic and teacher's tour, etc, are activities which are regularly organized in the school, time to time throughout the year. These help to train students in such a way that they are able to cope with all the challenges of life.

(B) Website

The School has developed a website in the name of www.kpsallahabad.org which is updated on daily basis to keep the viewers and the parents/guardians update with the functioning of the School. Each child has a unique ID which his/her parents can access to view notices, result, answer key after examination and all the progress of the child.

(C) Psychological Development

Students are observed intensively without apprising about the observation. On the basis of the observation, various remedial psychological changes, which a child requires, are brought about with the help of eminent clinical psychologists. It helps in overcoming hindrances in the proper mental and physical development of children, Children having learning disabilities are given special care in an unnoticeable way so that they do not develop an inferiority complex.

The psychological support enables students to perform with their maximum potential and get success in various fields of life such as studies, Sports, leadership skills, oratory skills, acting, dancing and singing, etc.

(D) Medical Fitness of Students

KhelGaon Public School keeps an updated FIRST AID BOX ready. Complaints of even a very minor nature are attended promptly. In case of a medical emergency, the parents / guardians are informed and every help is rendered to them to get their wards medically examined and treated properly. Routine medical check-up are also organized time to time. Children suffering from any infectious or contagious disease are allowed back in the school only after complete recovery. Parents / Guardians are requested to pay due attention to the health of their wards.

Suggestions and Complaints

Parents/ Guardians are a very important part of the school. They are the best judge in many aspects. With this view, a sealed box is placed in the office for Parents/Guardians to make any useful suggestion in writing. The suggestions should be relevant and the notes containing them should bear the name of the Parents/Guardians, their address and also the name and class of their ward.

Any complaint of serious nature may be promptly brought to the notice of the Principal in writing. Parents/Guardians may contact the Principal after a reasonable time and seek information about the action taken.

SPORTS ACHIEVEMENTS OF KHELGAON PUBLIC SCHOOL

The International Gymnastics Training Academy at KhelGaon Public School imparts free of cost training to 300 Olympic aspirants every day.
