**OUR MISSION : "WORLD CLASS EDUCATION AND SPORTS".**

It's a matter of great pride for Prayagraj and also for Uttar Pradesh that KhelGaon Public School, well-renowned for World Class Education and Sports, has emerged as the only premier school of the country, that excels, year after year, in Academics and Sports alike.

It gives me immense pleasure that topper of the district is our student Parth Baranwal, who secured 99.47 % marks in the X Board Exams. This proves our supremacy in the field of education. The credit goes, solely, to the untiring efforts of Sri Anil Mishra; Vice Chairman, Dr. R. C. Srivastava; Director of the School and their team of able teachers. Not only this, our many students secured 100 % marks in one or the other subjects in board exams. Moreover, a large number of students secured 90 % and above marks in class X and XII Board Exams.

We have appointed one of the best gymnastics coaches of the world i.e. Mr. Yin Alvarez of America, who holds the rare record of producing many Olympics and World Champions, is training our students for International and Olympics level competitions. Our ace gymnast Pranav Kushwaha of Class X won 3 silver & 1 bronze medal in International Asian Gymnastics Championship held in Bangladesh. In the year 2023 our Gymnasts won total 91 Medals including 42 Gold, 32 Silver & 17 Bronze at the National level. This needs special mention that our school gymnasts, while representing Uttar Pradesh, won the Gold medal in the team championship and also Gold and Silver medals in individual championships both in the Sub-Junior and Junior categories at the national level. In other games also our students won many Medals in CBSE Cluster, Zonal and Higher Championship.

In the area of cultural activities our students have emerged as young artists in Music, Dance and Drama.

KhelGaon Public School is the only school of Prayagraj which focuses on students' overall development and provides two periods of Sports and one period of Music & Dance to every student everyday. We have World Class Indoor Gymnastics Hall and playfields for 19 sports namely Gymnastics, Aerobics, Skating, Boxing, Badminton, Taekwondo, Lawn Tennis, Hockey, Football, Kabaddi, Basketball, Yoga, Shooting, Kho-Kho, Chess, Cricket, Volleyball, Athletics, Karate etc.

With the blessings of the Almighty God, let's continue to work together to create an effective synergy between Education and Sports needed for students of a progressive country like ours.

### **Learning never stopped at KhelGaon Public School.**

The previous years have been very disruptive with the onset of the Covid pandemic. The entire world was suddenly brought to a grinding halt with immense loss of health, wealth and lives. This period was very critical for the students and educational institutes because the time lost due to the lockdown would not have ever been compensated. It was in that hour of need that KhelGaon Public School and its family of expert educators rose up to the challenge and started employing cutting edge technology to provide continuous learning to its students, without a break. Starting very early in April 2020, the entire education system of KhelGaon Public School was made online. All the teachers, be it Academics - Science, Maths, Hindi, Sanskrit, English, Humanities, Commerce etc., alongwith the Coaches & Teachers of Games & Sports, Music, Dance, Art & Craft got themselves educated with the latest online teaching tools and immediately started educating the students without any break. I am proud to share that KhelGaon Public School was one of the first schools, not only in Prayagraj but also in India, to start online education system in a full-fledged manner. Learning never stopped at KhelGaon Public School !

The online classes were imparted with the same level of seriousness as the physical classes. Regular tracking of progress of students, with examinations and feedback, was done by the teachers. Therefore, the parents also got involved and ensured punctuality and regularity of their wards.

The result was that when the physical classes started, students were already prepared and geared up to quickly scale up to the level of their expertise. There was no time lost in revising the forgotten basics or getting physically fit for Sports while coming back to regular school.

The dedication of Teachers and Students gave us excellent results as well. On the Academic front, our topper student of Class X, Sanskriti Sunarya, Secured 95.5% in X Board Examination. Our topper students of Class XII, Animesh Mishra & Parth Baranwal, Secured 96.8% in XII Board Examination. Numerous Students Secured high ranks in NEET, JEE, NDA and other Competitive Examinations. Even our sports front, our ace gymnastic, Pranav Kushwaha of Class XII, won 3 International medals in the 5<sup>th</sup> South Central Asian Gymnastics Championship in Dhaka, Bangladesh. Our Champion Athlete Abhishek Singh won Gold Medal in 4<sup>th</sup> National Youth Games.

This year has ushered immense possibilities and our students are fully geared upto take on the challenges. They are academically sharp, physically fit and emotionally strong to succeed in life. We invite you and your ward to join our KPS family and come with us to script new stories of success in future and put India on the top of the world.

Jai Hind !
